

Atlas Lift Tech

Safe Patient Handling and Movement Programs

Atlas Lift Tech, a HASC Endorsed Business Partner, combines clinical and operational experience to build effective, low-cost Safe Patient Handling and Movement (SPHM) programs customized to fit individual hospitals' needs.

Atlas Advantages Include:

- Staffing hospital facilities with lift coaches to train and assist hospital personnel.
- Implementing procedures that meet new legislated standards.
- Use of Atlas' iOS-based application to assist hospital staff with SPHM scheduling and tracking of equipment and SPHM tasks.
- Data analysis and reporting capability to support hospital management's efforts to improve patient care and meet the legislation compliance standards.
